11. National Sea Products Incorporated is involved in the manufacture and marketing of seafood products in the United States. At our Portsmouth facility we process breaded fish sticks and portions for sale in the U.S. Retail and Food Service markets. We also operate a Cold Storage facility at our Portsmouth location. The company also operates a fish processing plant in Rockland, Maine, a shipyard in Rockland, Maine and a shrimp processing facility in Tampa, Florida.

12. Liability insurance policies covering our Portsmouth facility are as follows:

June 30, 1984 - June 30, 1985:

Canadian Indemnity Company
Winnipeg, Manitoba Canada
Policy #6L54605

As we no longer have the policy, we are not sure whether or not the policy contains a pollution exclusion clause or a sudden, non-sudden or both types of accident clause. If this is critical, we will do additional research.

June 30, 1985 - June 30, 1986:

Royal Insurance Company
Toronto, Ontario Canada
Policy #6019402

As we no longer have the policy, we are not sure whether or not the policy contains a pollution exclusion clause, or a sudden, non-sudden or both types of accident clause. If this is critical, we will do additional research.

June 30, 1986 - June 30, 1987:

Liberty Mutual Insurance Company
Boston, Massachusetts
Policy #LGI-112-058969-126

Policy contains pollution exclusion and both types of accident clauses.
